I asked Chris for a second opinion on my insurance portfolio after an outlined review of my current coverage and what other companies could offer. It was decided that my insurance was the best fit for my situation. Working with Chris has helped me feel more comfortable about insurance in general and I recommend a review of your current coverage with Chris, even if you are not concerned because you believe you have the best for you.

**David Hays**  
Insurance Broker

Chris has been very helpful in providing business insurance to a new professional business. I would recommend his services to anyone.

**Mike Hays**

I asked Chris to provide me with a quote for my business insurance and he gave me a quote that included more coverage for my store with smaller premiums, so I saved money AND got better insurance coverage. That's service that is hard to beat in my opinion.

**Nancy L. Davis**

How many people can say they attempted to file a claim for their service but were told that what they had was "not broken" or they did not need to file or Chris has been helpful, highly recommend an insurance review with him. Nancy L. Davis

## About IBNO

The Insurance Board of Northern Ohio (IBNO) is an insurance association comprised of agents, agencies, companies, and insurance affiliated organizations located in the northern region of Ohio. IBNO is committed to fostering information sharing, education, and business partnerships through monthly continuing education programs and highly attended networking events held throughout the year. The Insurance Board of Northern Ohio can provide you with a solid foundation to help grow your agency or industry related business. Our monthly programs are a variety of breakfast, lunch, and dinner events that provide you the opportunity to network and build your business relationships and at the same time obtain continuing education credits applicable to your industry certification.

Some of our annual events include the Annual Clambake in September where you can meet the new trustees as they are inducted onto the board. I-Day which is a day long event providing attendees the opportunity to receive 5 CE credits and see the last industry trends from the various vendors in attendance. Also every year in March or April IBNO holds the Federal Insurance Flood & Ohio FAIR Plan Program. Finally there is our Annual Golf Outing which this year raised over \$5,500.00 to benefit the IICF.

Every member has the opportunity to join one of our important committees and really become a part of the Insurance Board of Northern Ohio. Join the IBNO today and take a step into the future of the insurance industry. We are stronger together...
